

NO

The letters 'N' and 'O' are rendered in a complex, wireframe style. Each letter is composed of a dense network of thin, dark gray lines that form a mesh-like structure. The 'N' has a vertical stem and a horizontal top bar, while the 'O' is a closed loop. The lines are more concentrated in some areas, creating a sense of depth and shadow.

POB

The letters 'P', 'O', and 'B' are rendered in the same complex, wireframe style as the first set. The 'P' has a vertical stem and a curved upper loop. The 'O' is a closed loop. The 'B' has a vertical stem and two rounded bowls. The lines are more concentrated in some areas, creating a sense of depth and shadow.
